I like the library because it has advanced technology e.g. I pads, computers, a smartboard and also a HD TV. We also celebrate the Book Fair and Book Parade every year and we had a really, great time. We have interesting books such as, Wonder, The Last Thirteen, Captain Under pants and many more. The Bulldogs came to our school to read us books and we also took photos with them. Air conditioners are available. We had a great time while doing the Google Expedition
